

Presentations from 2001 onwards they are:

Isolated macular schisis as a cause of visual loss in young females- ARVO Annual Meeting, Fort Lauderdale, FL, USA

S.A. Kabanarou, P.E. Stanga, A.C. Bird, G.E. Holder, C.E. Willis, A.R. Webster.

Quantitative imaging of fundus autofluorescence in post-mortem human eyes with comparison to confocal scanning laser ophthalmoscope- ARVO Annual Meeting, Fort Lauderdale, FL, USA

J.U. Sung , S.R. Dubovy , P.E. Stanga , F.W. Fitzke , A.C. Bird , P.J. Luthert

Fluorescein and indocyanine-green angiography of moderate to high myopes undergoing lasik refractive surgery- ARVO Annual Meeting, Fort Lauderdale, FL, USA

S.Y. Lesnik-Oberstein, P.E. Stanga, K. Sehmi, J. Stevens, A.M.P. Hamilton

Central serous chorioretinopathy with retinal pigment epithelial detachment: evaluation with optical coherence tomography- ARVO Annual Meeting, Fort Lauderdale, FL, USA

D.N. Parmar , P.E. Stanga , R.M. Ahuja , J.R. Vingerling , A.C. Bird , A.M.P Hamilton

Histopathological Correlation of Choroidal Neovascular Membranes (CNV) Secondary to Age-related Macular Degeneration(AMD)Excised During Macular Relocation Surgery (MRS) with Pre-operative Fluorescein Angiography and Visual Outcome- ARVO Annual Meeting, Fort Lauderdale, FL, USA

P.E. Stanga, P. Hiscott, E. Lancaster, D. Wong

Correlation of Stratus Optical Coherence Tomography (OCT3) with Clinical and Fluorescein Angiography (FA) Findings in Re-treatment of Subfoveal Choroidal Neovascular Membranes (CNV) with Photodynamic Therapy (PDT) - ARVO Annual Meeting, Fort Lauderdale, FL, USA

J. Nair Sahni, P. Stanga, D. Wong, S. Taylor, S.P. Harding

Optical Coherence Tomography Evaluation of Choroidal Neovascularisation in Age-related Macular Degeneration- ARVO Annual Meeting, Fort Lauderdale, FL, USA

J. Nair Sahni, P. Stanga, D. Wong, S.P. Harding

Optical Coherence Tomography Evaluation following Photodynamic Therapy of Subfoveal Choroidal Neovascularisation: A Longitudinal Study - ARVO Annual Meeting, Fort Lauderdale, FL, USA

S.P. Harding, J. Nair Sahni, P. Stanga, D. Wong

Vitrectomy and Internal Limiting Membrane (ILM) Removal for Diabetic Macular Edema in Eyes With Absent Vitreo-Macular Traction Fails to Improve Visual Acuity: Results of a 12 Months Prospective Randomized Controlled Clinical Trial - ARVO Annual Meeting, Fort Lauderdale, FL, USA

N. Dhingra, J. Sahni, J. Shipley, S.P. Harding, C. Groenewald, I.A. Pearce, P.E. Stanga, D. Wong

Relationship Between Optical Coherence Tomography Characteristics and Multifocal Electroretinography in Patients With Subfoveal Choroidal Neovascularisation - ARVO Annual Meeting, Fort Lauderdale, FL, USA

J. Nair Sahni, A. MacKay, P. Stanga, M. Brown, I. Grierson, D. Wong, and S. Harding

Optical Coherence Tomography (OCT3) Imaging of the Conjunctiva and Sclerostomies After 25-Gauge Transconjunctival Sutureless Pars Plana Vitrectomy - ARVO Annual Meeting, Fort Lauderdale, FL, USA

P.E. Stanga, M.Gorbatov, L.Perez Belmonte, S.Charles, M.Lavin, G.Turner, P.Carlin, D.McLeod
